On August 28, 2024, the Board approved the interim profit distribution plan for the year 2024. During the six months ended June 30, 2024, the Company's net profit realized by the parent company amounted to RMB29,384,349.62. The distributable profit for Shareholders realized by the parent company for the current period was RMB29,384,349.62 (in accordance with the PRC Accounting Standards for Business Enterprises and other relevant regulations, no surplus reserve was provided for in the half-year financial statements), less the current distribution of the profit for the year 2023 of RMB22,380,090.00, together with the undistributed profit of RMB284,123,941.46 accumulated in the previous year, the parent company's distributable profit for Shareholders as of June 30, 2024 was RMB291,128,201.08. Excluding 1,100,000 H Shares that have been repurchased but not cancelled by the Company yet, the total cash dividend to be distributed is provisionally calculated to be RMB11,025,045 (tax inclusive), representing 21.73% of the net profit attributable to shareholders of the parent company in the consolidated statement of the Company for the six months ended June 30, 2024. The Proposed Interim Dividend will be denominated and declared in RMB. The holders of Domestic Shares will be paid in RMB and the holders of H Shares will be paid in Hong Kong dollars. The exchange rate for the Proposed Interim Dividend to be paid in Hong Kong dollars will be the mean of the exchange rates of Hong Kong dollars to RMB as announced by the People’s Bank of China during the five business days prior to the date of declaration of the Proposed Interim Dividend (i.e. the date of convening the EGM).

If the individual holders of H Shares are Hong Kong or Macao residents or residents of the countries which had an agreed tax rate of 10% for the cash dividends paid to them with the PRC under the relevant tax agreements, the Company should withhold and pay individual income tax on behalf of the relevant Shareholders at a rate of 10%. Should the individual holders of H Shares be residents of the countries which had an agreed tax rate of less than 10% with the PRC under the relevant tax agreement, the Company shall withhold and pay individual income tax on behalf of the relevant Shareholders at a rate of 10%. The Company will assist with the tax refund after the approval of the competent tax authority. Should the individual holders of H Shares be residents of the countries which had an agreed tax rate of over 10% but less than 20% with the PRC under the tax agreement, the Company shall withhold and pay the individual income tax on behalf of the holders at the agreed actual rate in accordance with the relevant tax agreement. R D A N D N A R C A C A N

Reference is made to the announcement of the Company dated September 20, 2024 in relation to, among other things, the proposed amendments to the Articles of Association.

The Special Provisions of the State Council on the Overseas Offering and Listing of Shares by Joint Stock Limited Companies promulgated by the State Council of the PRC on August 4, 1994 and the Notice on Implementation of the Mandatory Provisions for the Articles of Association of Companies to be Listed Overseas were abolished on March 31, 2023; the Trial Measures for the Administration of Overseas Issuance and Listing of Securities by Domestic Enterprises and relevant guidelines, which became effective on March 31, 2023, stipulate that domestic enterprises directly listed overseas shall formulate their articles of association with reference to the Guidelines for Articles of Association of Listed Companies and other relevant provisions of the China Securities Regulatory Commission on corporate governance; the newly amended Company Law of the PRC became effective on July 1, 2024; the Guidelines for the Articles of Association of Listed Companies promulgated by the China Securities Regulatory Commission came into effect on December 15, 2023; and the Hong Kong Stock Exchange has recently made certain amendments to the Listing Rules.

In view of this, the Company intends to amend its current Articles of Association (the “**p p a t**”) according to the abovementioned applicable PRC laws and regulations and the Listing Rules and taking into account the actual situation of the Company, so as to adapt the Articles of Association to the provisions and rules and better meet the

practical needs of corporate governance. The proposed amendments will neither prejudice the protection of the Shareholders nor cause material impacts on the protective measures of the Shareholders. In particular, according to the abovementioned applicable PRC laws and regulations, domestic shares and H shares shall be regarded as the same class of ordinary shares and holders of domestic shares and H shares shall no longer be deemed as different classes of shareholders, and the substantive rights attached to the two classes of shares (including voting rights, dividends and asset distribution in case of liquidation) shall be identical. Therefore, the removal of the class meeting requirement from the Articles of Association will not undermine the protection of the Shareholders. In addition, given that there are sufficient dispute resolution channels (such as court proceedings in Chinese Mainland and Hong Kong) to enable the Shareholders to exercise their rights under the Articles of Association, the removal of the arbitration provision from the Articles of Association and the abolition of arbitration as the sole means of dispute resolution will not affect the protection of the Shareholders. For details of the comparison table of the proposed amendments to the Articles of Association, please refer to Appendix I to this circular.

The amended Articles of Association will become effective upon consideration and approval at the EGM and the Class Meetings, prior to which the Company applies the current Articles of Association in force.

In addition, the Board proposes to the EGM and the Class Meetings to authorize any one Director to modify the wordings of such proposed amendments as he/she thinks appropriate (such modification will not be required to be approved by the Shareholders) and sign all such documents and/or do all such acts as the Director may, in his/her absolute discretion, deem necessary or expedient and in the interest of the Company to deal with related matters arising from the proposed amendments.

A special resolution will be proposed at the EGM and the Class Meetings to consider and approve the proposed amendments to the Articles of Association.

V R D A N D N R VAN RU R C DUR

Given that the Company proposes to amend its existing Articles of Association, the Company also proposes to make corresponding amendments to the Rules of Procedures for General Meetings, the Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisory Committee (the “**A t t t R u l e s**”). For details of the comparison table of the proposed Amendments to the Rules of Procedures, please refer to Appendix II to Appendix IV to this circular.

The amended Rules of Procedures for General Meetings, Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisory Committee will become effective upon consideration and approval at the EGM and the Class Meetings, and provided that the proposed amendments to the Articles of Association are considered and approved at the EGM and the Class Meetings, prior to which the Company applies the current Rules of Procedures for General Meetings, Rules of Procedures for Board Meetings and the Rules of

Procedures for Meetings of the Supervisory Committee in force. The Company proposes to the general meeting to authorize the Board to make corresponding amendments to the Rules of Procedures for General Meetings, the Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisory Committee according to the final amendments to the Articles of Association adopted by the Company.

Special resolutions will be proposed at the EGM and the Class Meetings to consider and approve the proposed amendments to the Rules of Procedures for General Meetings, the Rules of Procedures for Board Meetings and the Rules of Procedures for Meetings of the Supervisory Committee.

The Company undertakes that the renewal of the existing repurchase mandate will not result in the Directors or Shareholders triggering the obligation to make a mandatory general offer under Rules 26 and 32 of the Takeovers Code upon full exercise of the New Repurchase Mandate, nor will it result in the number of Shares held by the public falling below 25% of the total number of issued Shares.

This explanatory statement contains all the information required to be given to the Shareholders pursuant to Rule 10.06 of the Hong Kong Listing Rules in connection with the New Repurchase Mandate, which is set out as follows:

C A AND NU R AR R D R URC A D

As at the Latest Practicable Date, the total share capital (excluding treasury shares, if any) of the Company was 74,600,300 Shares, including 52,760,000 Domestic Shares and 21,840,300 H Shares. The Shares proposed to be repurchased are the H Shares in issue of the Company. The specific number of Shares to be repurchased will be determined by the Board of the Company as authorized by the EGM and the Class Meetings and the authorized persons of the Board during the implementation period of the repurchase, taking into account the prices of the H Shares of the Company in the secondary market, provided that the total number shall not exceed 10% of the total number of issued and fully paid-up H Shares of the Company (excluding H Shares that have been repurchased but not cancelled; and excluding the treasury shares, if any) on the date of approving such special resolution. The Company will be permitted to repurchase up to 2,074,030 H Shares under the New Repurchase Mandate, on the basis of the aggregate of 21,840,300 H Shares in issue and 1,100,000 H Shares repurchased but not cancelled by the Company as at the Latest Practicable Date, assuming that after the resolution regarding the New Repurchase Mandate is approved and no other Shares will be issued additionally and/or repurchased by the Company in the current period up to the date of the EGM and the Class Meetings.

R A N R R D R URC A

As at the Latest Practicable Date, the Company has repurchased 1,100,000 H Shares through the Previous Repurchase, which has effectively maintained the stability of the Company's share price and enhanced the market confidence. Due to the increase in the issued H Shares of the Company after the annual general meeting for the year 2023, the Directors believe that it is in the best interests of the Company and the Shareholders to obtain a higher limit of the general mandates from Shareholders to enable the Directors to repurchase the Shares of the Company in the market based on the prevailing market conditions and funding arrangements. The New Repurchase Mandate will lead to a further enhancement of the net asset value of the Company and/or its earnings per share and will be exercised only when the Directors consider that the repurchase is beneficial to the Company and its Shareholders. The Board proposes to seek Shareholders' approval to renew the existing repurchase mandate at the EGM and the Class Meetings.

UND R R D R URC A

In repurchasing H Shares of the Company, the Company plans to use its own funds to finance such purpose legally in accordance with the Articles of Association and the applicable PRC laws, statutes and regulations.

Considering the current working capital conditions of the Company, the Directors believe that an exercise of the New Repurchase Mandate in full will not cause material adverse impact on the working capital and/or gearing position of the Company (as compared to the financial position as at December 31, 2023 as disclosed in the Company's published audited financial statements in the annual report for the year ended December 31, 2023). However, if the Board believes that the exercise of the New Repurchase Mandate will have material adverse impact on the working capital requirements or gearing ratio of the Company, the Board tends not to repurchase Shares by exercising the power conferred under the New Repurchase Mandate. The Board will consider the prevailing market conditions at an appropriate time to make decisions on the number of H Shares to be repurchased, the price and other terms to repurchase H Shares, in the best interest of the Company.

A U T O M A T I C A L L Y A C C E L E R A T E D

The Company may cancel any repurchased Shares and/or hold them as treasury shares subject to the circumstances prevailing at the time of repurchase of the H Shares (e.g., market conditions and its capital management needs).

In respect of any treasury shares of the Company deposited with The Central Clearing and Settlement System for resale on the Hong Kong Stock Exchange, the Company shall take appropriate and necessary measures to ensure that such treasury shares can be identified and distinguished properly. The Company should deposit such treasury shares within a segregated stock account of The Central Clearing and Settlement System. The Company shall not exercise any right in respect of the treasury shares, and no dividend may be declared or paid in respect of the treasury shares.

R E S T R I C T E D A N D C O N T R O L L E D

To the best knowledge of the Directors, having made all reasonable enquiries, none of the Directors or their close associates (as defined in the Hong Kong Listing Rules), have any present intention to sell any H Shares of the Company to the Company if the New Repurchase Mandate is approved by the EGM and the Class Meetings.

U N D E R A T A C T I O N D R C R

The Directors undertake that, in appropriate circumstances, they will exercise the powers of the Company to repurchase Shares pursuant to the New Repurchase Mandate and in compliance with the Hong Kong Listing Rules, Articles of Association, applicable laws, rules and regulations of the PRC, and in accordance with the special resolutions set out in the notices of the EGM and Class Meetings. Neither the Explanatory Statement nor the proposed New Repurchase Mandate has any unusual features.

C A V R C D

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the power of the Company to repurchase Shares pursuant to the New Repurchase Mandate, such an increase will be treated as an acquisition of the voting rights pursuant to Rule 32 of the Takeovers Code. If such an increase results in a change in control, it could, under certain circumstances, result in the recommendation for a mandatory acquisition offer in accordance with Rule of the Takeovers Code.
