Outpatients			
Number of outpatient visits	126,201	128,070	-1.5%
Average outpatient spending per visit on treatment and general healthcare services (RMB)	125	137	-8.8%
Average outpatient spending per visit on pharmaceutical sales (RMB)	290	296	-2.0%
Total average outpatient spending per visit (RMB)	415	433	4.2%

Note

1. The above total average inpatient spending per bed-day is determined based on the Company's bills for services provided to patients, without taking into account differences with medical insurance settlements and the Company's income deduction for some medical expenses that may not be received.

The above operating data and indicators are based on the Company's records and have not been audited or reviewed by the Company's auditors. The operating data and indicators may be different from those disclosed in relevant periodical reports. The operating data and indicators disclosed in relevant periodical reports shall prevail if there is any discrepancy.

Shareholders and potential investors of the Company are reminded to rationally deal with
